

## BLOOD INDIAN HELD AT CARDSTON ON SERIOUS CHARGE: CRIMINAL ATTACK MADE ON POPULAR LADY TOWN CLERK

Cardston, Dec. 10.—Ben Calf Robe, Blood Indian, is under arrest charged with attempted rape in connection with a vicious attack made Saturday night on Miss Mary Glenn, popular Cardston girl and town secretary. Miss Glenn is in a serious condition as a result of her terrible experience but she will recover.

Another angle to the case—one that has aroused the whole community—is the belief that Calf Robe was under the influence of liquor

strengthening a conviction held by the authorities that the illicit sale of liquor to the Indians is at the bottom of the distressing affair. Color to this theory was furnished in the discovery later of a partly-consumed bottle of gin in the rear of a pool hall frequented by the Indians. It is believed the case will bring the supposed bootlegging to a head and result in a general clean-up of conditions.

Attacked in Dark  
Miss Glenn was attacked between 7 and 7:30 o'clock Saturday night. She was on the way home and near the high school building was pounced upon in the dark by an Indian assailant. He dragged her down a

100-foot embankment to the ice covering Lee's creek and there he attempted to carry out his design. Miss Glenn gave heroic resistance fighting her assailant and continuing her cries for help. Joseph C. Shaw, wife and children, who were going to the picture show passed the spot near where the unequal battle on the ice was in progress and heard a noise but thought nothing of it. At that point one of the Shaw children complained of losing a mitten. Mr. Shaw retraced his steps to find the mitten and that move led to his rescue of the girl for he heard her cries clearly.

Shaw shouted through the dark: "Where are you?" The Indian heard it and fled.

## Finds Girl

On reaching the girl's side, Mr. Shaw found her in a serious condition physically and with most of her clothing torn from her. He carried her to her own home a block and a

half away and notified the police. Dr. Mulloy was called in to attend Miss Glenn.

In the meantime, Constable John Hunt, Constable Reid of the A. P. P. and Sgt. Howard of the R.C.M.P., assisted by Indian Scout Heavy Runner, joined in the search for the clue that led the police to Calf Robe's house. Indian Agent Pugh co-operated and at Calf Robe's house the wanted man was found. His face was scratched, his boots wet up to the knees and he bore other marks that convinced the authorities that he was the Indian sought. He was duly taken in custody and will be arraigned on a charge of attempted rape Monday before Magistrate J. W. Low.

Calf Robe is a married man with three children. The maximum penalty for attempted rape is seven years and the lash.

JOHNSON BROTHERS' NEW LUMBER MILL AT BEAVER CREEK A REAL BOON TO LUMBER PURCHASERS OF THIS DISTRICT

The magnitude of the Johnson Brothers' lumber mill operations at Beaver is not generally known in this district. The installation of the mill was commenced last July by Edwin and Bert Johnson, the former being the manager of the concern. They had formerly operated at Happy Valley, 20 miles west of Stavelay, till the cut had run out at that point. The mill building at Beaver Creek covers an area of 150x40 ft., and in addition a store, a sawmill, a house, a cook house, a bunk house, barn 85x10 feet, shed 56x16 feet, and other buildings. About 30 men are employed, and the output averages 12,000 feet of lumber daily, with a prospect of two years cutting.

The firm makes delivery any place by truck, and their prices are extremely reasonable, and the new mill certainly offers great advantages to lumber purchasers of this district.

They are cutting high grade fir and have yards at Macleod, Granum, Brocket and Meadow Creek and any one in need of high grade fir lumber can be advantageously accommodated at these yards or at the mill at Beaver Creek.

## 14,000 LETTERS FOR WEST ON NEW AIR MAIL

Winnipeg, Dec. 10.—Opening a trial air mail service, a Western Airways plane, piloted by W. J. Buchanan, hopped off at 9:15 a.m. today for Regina carrying sixteen thousand letters. It is scheduled to return to Winnipeg with eastbound mail at 4:30 p.m. The service will cut about 24 hours from the ordinary time of mail delivery east and west.

It is stated that the success of success which meets the experimenter and the extent of public support it receives, will have material bearing on future air mail policy. The trial continues until December 29.

One dollar invested in a year's subscription to the improved Family Herald and Weekly Star of Montreal will bring the farmer better dividends than one hundred dollars in the bank. The farmers' wives, daughters and sons, get free, the best magazine extant.

## KING'S CONDITION IS SLIGHTLY BETTER AS OPERATION PERFORMED

London, Dec. 12.—King George's physicians at 3:20 p.m. issued the following bulletin on the king's condition:

"The slight improvement in the king's condition noted this morning is maintained. Some purulent fluid around the base of the right lung has been removed by puncture this morning and further drainage will be necessary."

The bulletin, which is the first to be issued before the usual evening report, was signed by five of the six physicians who have been attending his majesty:

They were: Sir Stanley Hewett, Dr. L. E. Whitby, Sir E. Farquhar Buzzard, Sir E. Humphrey Ralston and Lord Bingham.

Prince Calls At Palace  
London, Dec. 12.—The Prince of Wales drove from his home, York House, to Buckingham Palace at noon today after having spent the morning resting. The welcome news that the slight improvement in King George's condition had been maintained was conveyed to the prince immediately upon the doctors leaving the palace earlier in the day.

## GRANUM GRABS HOCKEY OPENER OVER MACLEOD

Granum celebrated the opening of the hockey season Friday night by taking Macleod into camp, 10 to 1. The ice was soft and dirty and there was no spectacular hockey seen although interest was sustained to the close. It was typical pre-season hockey and the fans feel well pleased with the showing of the team.

Granum opened strong from the faceoff, Ross early scoring for the homesters, followed by Hart. Macleod was blanked. In the second period Ross again scored from a neat pass by Bailey, making the

score 3-0. In the third frame the Macleod defence crumpled badly and five goals were chalked up for Granum, while Dowson managed to score for Macleod, and in the last period a couple more tallies were annexed, making the final score 10-1 for the locals.

The lineup:  
Granum—Stubbert, goal; Hart and Orton, defence; Bailey, Ross and Hoffman, forwards; Wells, Marsh and Sastelman, subs.

Macleod—A. Hart, goal; Dowson and Townsend, defence; Kirk, W. Hamilton and Tidcombe, forwards; Peters, Mosher, N. Dillingham, subs. J. F. Butler, Macleod, referee.

LADIES' AID OF UNITED CHURCH STAGED SUCCESSFUL BAZAAR

The weather man was kind to the ladies of the Macleod United Church when the Aid put on their annual bazaar and afternoon tea on Saturday afternoon, December 8th. The fine mild afternoon brought out a very large number of friends and supporters of the church and made the affair a great success, the efforts of the Aid will be augmented from the proceeds by the sum of about \$500 which will enable the ladies of the Aid to carry on their good work.

The president of the Aid is to be congratulated on the splendid organization which made such a success Saturday afternoon. Mrs. Andrews has been president of the Aid for 12 years, and it is largely due to her executive ability that the Aid has been able to do such splendid work for the church during the past years. At the recent annual meeting of the Aid, Mrs. Andrews retired from the presidency and was made Honorary President.

NEW BARTHELMSS SEEN IN THE FILM "OUT OF THE RUINS"

Patrons of the Empress Theatre are about to be introduced to a new Richard Barthelmess. On Wednesday and Thursday next they will be presented to the First National star's newest feature production, "Out of the Ruins," a fast-moving and dramatic screen version of the well-known short story by Sir Philip Gibbs.

In "Out of the Ruins" Barthelmess will be seen for the first time in years in a role strictly calling for love scenes rather than character delineation. In his previous productions, the star has been noted for his extraordinary character studies, such as in "Broken Blossoms," "To the Ladies," "The Patent Leather Kid" and "The Noose."

GISH AND COLMAN IN REVIVAL OF FILM MASTERPIECE — "THE WHITE SISTER" BROUGHT BACK BY POPULAR DEMAND

"The White Sister," the greatest triumph of Lillian Gish's career, will return to the Empress Theatre on Monday and Tuesday.

"The White Sister," an inspiration production for Metro-Goldwyn-Mayer, has been acclaimed one of the most significant films ever made. The story was taken from the famous novel by F. Marion Crawford and screened entirely in Italy and northern Africa.

Rome, Naples, Sorrento, Tivoli, and even Mt. Vesuvius were some of the "locations" used, and the result, according to critics, is the most beautiful production yet made.

Besides Miss Gish to interpret the thrilling story, the cast includes

Ronald Colman, who is featured with the star; J. Barney Sherry, Gail Kane, heroine of many Broadway successes, and a thousand others drawn from the ranks of European players.

"WILD GEESSE" PICTURE COMING TO EMPRESS THEATRE

"Wild Geese" a picturization of the famous novel of the same name by Martha Ostenso, which won the prize of \$13,500 for the best novel by an American author, has been filmed by Tiffany productions, and will be shown for the first time here starting to-night at the Empress theatre for 3 day's run.

Tiffany has a splendid cast selected for the principal roles in the picture including Belle Bennett (said to be her greatest screen role) Anita Stewart, Russell Simpson, Eve Southern, Donald Keith, Jason

Robards, Wesley Barry, Reta Rae, Austen Jewel, Evelyn Selbie, and a host of others.

"Wild Geese" tells the story of a family who live on a farm in Northern Minnesota, all of them, the wife and four children under the complete domination of the cruel and relentless husband and father. He keeps his wife under complete subjection due to a youthful escapade of hers. The oldest daughter, Judith, after being with the pretty school teacher who boards at the house, learns of the great world outside of the farm. In love with the neighbor's son, she is thwarted in her plans for marriage by her father who fears to lose her services as a "hired man." The mother seeking her daughter's happiness revolts, but is threatened with exposure in the fact that her son is on an adjacent farm. The climax is reached when Judith goaded beyond endurance, attacks her father and is bound and shown as an example to the other children. Infuriated the father tells his wife that he will tell her story to

her children in front of her son who was born out of wedlock. All are gathered awaiting the arrival of the father, mystified as to the meaning, when a neighbor brings the news that the husband was devoured by a quicksand, and the secret remains inviolate.

## MACLEOD NEWS

O. J. Wood, district representative of the London Life Assurance Company, has opened up a new office on 24th St., next to Jenkins Groceries in the stand formerly occupied by Fleming's Barber Shop.

A. F. Grady brought a pansy bloom into The Times Office on Tuesday morning and informed us that it was one of a number of these pretty blossoms that are looking sunward in his garden at this so-called winter season.

The local fire brigade made a smart turnout on Sunday morning in response to an alarm turned in regarding a fire at a residence across the track. On account of the promptitude and excellent work of the brigade only very little damage was done before the blaze was subdued.

Saturday will be the last day of the season for the shooting of big game and ducks and geese, and a number of enthusiastic nimrods ventured forth this week to the foothills and into the mountains to try and secure a nice feed of venison ere the season closes. According to all reports the deer are plentiful this year.

Rev. A. Ferguson, M. A., minister of St. Andrew's church, Macleod, accompanied by Mrs. Ferguson, was a Calgary visitor last week. While in that city Rev. Ferguson gave a special mid-week Gaelic service at North Hill Presbyterian church, which was largely attended, many members of The Gaelic Association, of that city after the service felicitating the minister on his address.

The United Church Ladies' Aid desires to publicly thank the Macleod community and the neighborhood for many miles around for the splendid success of their recent "bazaar." Almost every family associated with the Church made some contribution and the general public were most generous in their patronage.

Hall-Hatton—A quiet wedding was solemnized at the United Church Manse on Wednesday, Dec. 12th, when Clifford Hall and Grace Irene Hatton, both of Macleod, were united in the holy bonds of matrimony by the Rev. J. F. Knight, M. A., B. D. Miss Bessie Williams acted as bridesmaid and Frank Williams was best man.

The second successful Saturday night dance of the Hockey Club was held at the Elks Hall on Saturday night last. The dance was thoroughly enjoyed by the all those who attended, and it is safe to say that with a continuance of the dances on Saturday night the funds of the Hockey club will be well augmented. The music was furnished by Cutler's Premier orchestra, and by the large number of encores called for it was evidently appreciated and much enjoyed. Mr. Cutler has acquired a complete new score of the latest and popular dance music and is now able to furnish all dances with the very best in this line. These dances should be well patronized as they are helping along the finances of the hockey club thereby giving a boost to one of the finest and cleanest

sports in Canada today, the home of the real hockey player. For all we know Macleod players may in a short while be starting with the leading teams on the continent, some of the former Macleod players are doing so let's get behind the boys and help the good work along.

On Friday evening, December 7th Mrs. Jas. Ringland entertained in honor of the birthday of her niece, Miss Bessie Jackson of Toronto, who is visiting with her. The first part of the evening was spent playing court whist, their being six tables in play. The winners at cards were: Ladies' first, Miss Marjorie Greenwood; consolation, Miss Ruth Armer; gentlemen's first, C. Bridgeland; consolation, Ray Adams. After cards dainty refreshments were served by the hostess, assisted by Mrs. Wm. Armer. Dancing then occupied the young people for a time, followed by impromptu vocal and musical numbers by those present. The happy throng dispersed to their various homes at about 1:30 a. m.

At the United Brotherhood luncheon last Tuesday evening Mr. Elmer Liesemer, B. A., High School Principal, gave a most enlightening address on "Prospects of War and Peace." No address this season has been more inspiring. It stirred every member of the almost capacity audience. Mayor J. W. McDonald moved a vote of thanks and Rev. Knight seconded it. Then Dr. Snodgrass gave his viewpoint most concisely, adopting the method of excavation, true to the dental instinct. Solicitor Fawcett summed up the argument and presented the case to the audience as to a jury. The unanimous verdict was "This Brotherhood is surely a delightful fellowship every way." Mr. Collis in his genial manner directed the programme most capably.

### MACLEOD CURLERS ELECT OFFICERS

Macleod curlers met in annual convention recently when reports were submitted and new officers elected for the year. The treasurer's report was the best that had been received by the club for many years showing a balance on hand with all taxes and accounts paid.

On the election of officers, the honorary presidents were re-elected these are: A. B. McDonald, Calgary; O. Stewart, Macleod and W. H. Shield, M.L.A., president, Claude Tweed; vice-presidents, T. A. Good, sir, Orvil Stewart, F. Butler; secretary, L. H. Huntley, and associate secretary, R. D. McNay; treasurer Arthur Young; ice committee, Bert Eckmire, Alex. McLeod, R. Lantinga. Fees for the season were set at \$10. High school pupils to play at half rate, \$5. Ladies invited to play when they form a curling club among themselves, and arrange with the executive. The whole Dominion is talking of the great improvement in the Family Herald and Weekly Star, Montreal. At \$1 a year or three years for \$2 it is the farmer's highest dividend paying investment, and the family circle gets with it the best of all magazines free.
